

Lead Safe Homes Program

Calling All Property Owners!

\$15,000 Grant Available

SAFE HOMES

SAFE LIVES

SAFE FUTURE

Make McHenry County Homes Safe From Lead-Based Paint

The McHenry County Community Development Division is offering up to \$15,000 in grant funds to help create Lead Safe Homes in McHenry County. Homes built before 1978 are at risk of lead-based paint hazards, which can have severe health effects on residents, especially young children.
